—— SET THE STAGE——— FOR ONLINE ENGAGEMENT

TECHNIQUES TO ENGAGE LEARNERS FROM THE START

Maintain
an appropriate yet
quick pace in the online
classroom. Keep learners
involved and engaged in
activities that lead
toward the learning
outcomes.

Set **Expectations**

Communicate
with learners ahead
of time, and at every
opportunity, to let
them know it will be an
interactive event.

Seek & Sustain Engagement Invite participants
to engage with the
facilitator, with each
other, and/or with the
platform tools about
every 4 minutes during
virtual events.

Start Early

Choose activities that let learners frequently interact with each other for dialogue and discussion.

Create a
Social
Experience

Have on-screen activities ready for learners upon login.
